

We are pleased to personalise your choice of basket if required. You may wish to add your own promotional item or another small family gift perhaps. But keep in mind that the silly season is also the busy season, so do not leave your Christmas shopping to the last minute. Country orders will need to be sent out by Friday 11th December to ensure pre-Christmas delivery but the earlier the better. Similarly metropolitan areas in all states will need to be sent out by Friday 18th December to ensure delivery. All gifts are decorated with ribbons and a hand-made bow. Baskets will be closed from 12:30pm on Thursday 24th December 2009 and will re-open on 11th January 2010. So enjoy browsing the Christmas range. We look forward to helping you with your gift selections this year.
