We are pleased to personalise your choice of basket if required. For example you may wish to add your own promotional item. But keep in mind that the silly season is also the busy season, so do not leave your Christmas shopping to the last minute. Country orders will need to be sent out by Friday 10th December to ensure pre-Christmas delivery but the earlier the better. Similarly metropolitan areas in all states will need to be sent out by Friday 17th December to ensure delivery. All gifts are adorned with festive ribbons and a hand-made bow. Baskits will be closed from 12:30pm on Friday 24th December 2010 and will re-open on Monday 10th January 2011. So please enjoy browsing our Christmas range. We look forward to helping you with your gift selections this year.
